RE: RWIEF 2019 Donation

Dear Mr. Anderson:

I want to take this opportunity to thank you for your donation from Chapter 17 to the Right of Way International Education Foundation in the amount of \$3100.00.

These funds, combined with contributions from other individuals, companies, IRWA Chapters and Regions, will enable the Foundation to continue its financial support of the IRWA's new course development goals and updating existing courses as well as other educational initiatives. Support such as yours is critical to insuring that future initiatives and courses will be funded for development and available for utilization by right of way professional.

Once again, thank you. Your contribution is very much appreciated.

Sincerely,

Carol A. Croft, SR/WA, GRI  
President, Right of Way International Education Foundation
