Real Estate Mission:

The Real Estate Division is vital to supporting the Department of Defense and the Army mission (both Civil and Military). Real Estate professionals manage over 25M acres in real property assets for Army (asset and portfolio management), and provide technical expertise and business analytics as it relates to acquisition, management and disposal of real property. Real Estate also provides support to US forces during overseas contingency operations and disaster response and recovery support to the nation.

69th ANNUAL

INTERNATIONAL EDUCATION CONFERENCE

JUNE 25 - 28, 2023

DENVER COLORADO
Hyatt Regency Denver at Colorado
