There will be a registration table just off the main lobby with a list of anyone who has pre-registered and able to take on-site registrations (checks only). Chapter 21 does not currently have the ability to accept credit cards. The first fifty registered will also receive a wristband to allow them to take part in several activities around the Resort at no charge (see attached list). The wristband list has the activity along with a link to learn more about the activity.

Dave will be visiting the Resort this weekend to finalize the meal/snack menus and other details. If he's able to have a separate location for a Region Social Event, he will send out that information.
